

Abbreviations and terms:

- ❖ K1; Knit one
- ❖ P1: Purl one
- ❖ Kfb: Knit in the front and back of stitch
- ❖ Knitting plain: knit stitch

Materials:

- About 100g of sport yarn in white, navy or grey
- Six 2,5 mm needles

Instructions:

Setting up - Cast on 48 stitches, divided 16 over 3 needles

Knit 30 rounds or 6.4cm/2 ½ inch of knit 2 purl 2

Increasing -

1st row - p1, k1, p1, increase by kfb, p1, k1. *p1, k3* adding 2 extra stitches at the end of your row

2nd row - p1, k4, p1, knit the rest of the round plain. This will be repeated every even round. Purl the 2 same stitches each round. This indicates where the thumb will go.

3rd row - p1, k4, *p1, k3. Repeat from *, ending with a p1, k1

5th row - p1, k1, p1, k1, kfb. p1, k1, *p1, k3. Repeat from *

(For the left hand: p1, k1, p1, kfb, k1, p1, k1, *p1, k3. Repeat from *)

7th row - p1, k3, p1, k1, p1, *k3, p1. Repeat from *

Continue the pattern (which, after the second p st, is alternately started, k 3, p 1, as in row 7, and k 1, p 1, k 3, as in row 5) adding an increase every 4th row.

Do this until you have done 8 increases total for the thumb gusset. After those are done, knit 8 rounds of the pattern of the glove *without* the increases.

Thumb -

Take 18 stitches between the 2 sets of 2 purl stitches and cast on an additional 4 stitches.

Divide these over 3 needles, every needle having 6 stitches. Work in the round, repeating the pattern until you have 2 inches.

Decrease as followed:

- Decrease at the start and end of every needle
- Knit 1 round

Repeat a total of 2 times. Do one more decrease round before breaking off your yarn, running it through the stitches and tightening. All fingers will be finished in this manner.

The Hand - Divide 45 stitches on 3 needles and pick up 3 extra stitches at the bottom of the thumb.

Repeat the pattern 9 more rounds to complete the hand part. Now we will knit the fingers:

Pointer finger - Take the 3 new stitches you cast on earlier, 1 to the left of these and 10 to the right. cast on an additional 2 stitches leaving you with 16 total. Knit the pattern 15 rounds and finish like the thumb

Middle finger - Take 6 stitches from your 2 needles for the hand and pick up 3 stitches at the bottom of the pointer finger. Cast on an additional 2 stitches. Repeat the pattern 17 rounds and finish off.

Ring finger - Take 6 stitches of your 2 needles, pick up 2 stitches at the bottom of the middle finger and cast on an additional 2 stitches. Work 15 rounds of the pattern. Finish off

Pinky finger - Take the 10 remaining stitches, pick up 4 at the ring finger and work the pattern 12 rounds. Finish off.

This completes your right hand glove. To knit the left hand, begin your increases **before** the first purl stitch instead of the second as stated between brackets.
